

# Alviso Adobe Exploration Backpacks

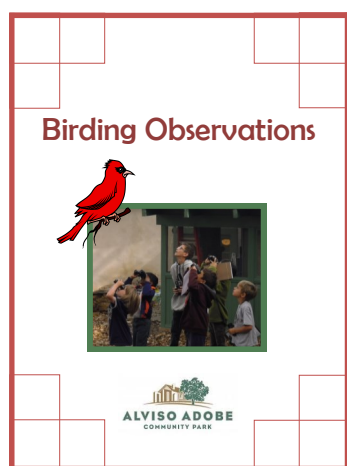

Explore the Alviso Adobe Community Park with an Exploration Backpack! Each backpack has a unique theme and includes activities, games, and fun information.

**What will you discover when you use an Exploration Backpack?**

**Californios Exploration Backpack**—Hey, Explorers! Use this book to guide you through the park and learn about rancho life! Try your hand at roping cattle and mucking out stalls as you learn about the California Ranchos.

**Dairy Discoveries Exploration Backpack**—Hey, Explorers! Use this book to guide you through the park and learn about the Meadowlark Dairy! Milk our Dairy Cow Fiona, design your own butter mold, and play the Dairy Memory game.

**Birding Observations**—Practice your birding skills as you identify and count the different birds at the Alviso Adobe Community Park. Learn about bird beak uses and how to build your own bird's nest.

**Animal Track Casting**—Learn about the unique tracks animals leave behind and make your own animal track cast to take home!
